## **Co-Working Space Checklist for Nomad Couples in Bali**

Use this checklist to evaluate and compare co-working spaces in Bali. Ensure the space meets both your professional needs and your desire for a balanced lifestyle.

<https://balialivisa.info>

## **1. Internet Speed and Reliability**

- Is the Wi-Fi connection fast and stable?
- Does the space have backup internet systems (e.g., secondary Wi-Fi, wired connections)?
- Are there any reported issues with connectivity in the space?

## **2. Comfortable Workstations and Meeting Rooms**

- Are the chairs ergonomic and supportive for long working hours?
- Are the desks spacious and well-organized?
- Is there ample natural light and a pleasant ambiance?
- Does the space offer private meeting rooms or quiet zones?
- Are there options for standing desks or other alternative setups?

## **3. Community and Networking Opportunities**

- Does the space host regular events, workshops, or networking sessions?
- Is there an active community of digital nomads or like-minded individuals?
- Are there opportunities to collaborate with others in the space?

## **4. Additional Amenities**

- Is there a cafe or kitchen with healthy food and drink options?
- Are there wellness facilities (e.g., yoga, meditation areas, gym)?
- Does the space offer outdoor areas or places to relax?
- Are there any unique features (e.g., nap rooms, recreational areas)?

## **5. Location and Accessibility**

- Is the co-working space located in a convenient area (e.g., close to your accommodation)?
- Is it easily accessible by public transport, bike, or foot?
- Are there nearby amenities such as restaurants, shops, or fitness centers?

## **6. Pricing and Flexibility**

- Does the space offer pricing plans that fit your budget?
- Are there flexible membership options (e.g., daily, weekly, monthly passes)?
- Are there any additional fees or hidden costs?

## **7. Safety and Security**

- Is the space secure, with 24/7 access control or surveillance?
- Are there safety measures in place for belongings (e.g., lockers, secure storage)?
- Is the area around the co-working space safe?

**Total Checklist Items Checked: \_\_\_\_\_ / 24**

The more boxes you check, the closer the co-working space aligns with your needs.
